PROFESSIONAL EXPERIENCE

2012 – Present

Director of Professional Licensure Programs – Regent University - Responsible for the development and implementation of the university continuing education professional licensure programs providing education opportunities for university alumni and professional community members across 9 disciplines including online, hybrid and traditional programs and fostering collaborative partnerships internally and externally. Developed, maintained, and enforced the educational policies based on requirements from accrediting agencies, approval boards, and government licensing agencies. Developed, reviewed, and revised course, seminar and program curriculum to provide education opportunities in accordance with approval board standards and program objectives.

2011 – Present

Adjunct Professor - Regent University – Taught various courses online and face-to-face for the doctoral program in education and the master’s program in educational leadership. Collaborated with the graduate program faculty to develop and evaluate course materials and delivery methods. Courses taught include educational technology for administrators, and research courses in research design and analysis, advanced research design and analysis, and qualitative research.

2009 –2011

Director of Continuing Education & Instructional and Web Technologies - Regent University – Served as program director and administrator of instructional and web technologies. Responsible for the development and implementation of the Continuing Education (CE) Program providing education opportunities for university alumni, professional community members, and six academic programs including online, hybrid and traditional programs and fostering collaborative partnerships

internally and externally. Developed, maintained, and enforced the CE educational policies based on requirements from accrediting agencies, approval boards, and government licensing agencies. Lead the strategic planning process and program development to establish realistic goals and action plans. Developed, reviewed, and revised course, workshop and program curriculum to provide education opportunities in accordance with approval board standards and program objectives. Also, directed instructional and web technology use and training and served as instructional technology expert. Provided consultation opportunities for faculty and staff on the use of instructional and web technologies for the continual integration of current and new technologies in traditional, hybrid and online programs. Served the chair and as a committee member on numerous instructional technology and education committees to improve the use of educational technology. Served as an instructional technology liaison with university departments. Presented and co-presented research at national conferences and publish to peer reviewed journals. Electronic portfolio trainer and administrator. Performed direct supervision of web support staff, continuing education support staff, and graduate assistants.

2005 - 2009

Instructional Designer (Web Developer/Instructional Designer) - Regent University - Developed, implemented, and evaluated university faculty and staff training in instructional and web technologies. Designed and developed traditional and distance education training materials. Presented workshops and provided support to university-wide academic advising units. Provided instruction, advising, and mentorship to faculty, staff, and students in the use of technology and served as chair and committee member on numerous technology and education committees. Designed and developed a virtual training facility in in a 3-D virtual environment and completed extensive research on its use in education. Served as Blackboard Administrator and Website Administrator. Monitored, managed, and evaluated web and training support staff and conducted new web support and training staff searches and hires.

2003 - 2005

Curriculum Technology Support Coordinator - Regent University – Provided mentoring and training to new faculty in instructional technologies and online instruction. Served as Blackboard Administrator and Website Administrator overseeing the development and maintenance of Blackboard courses and school Websites. Established and facilitated the Regent University Technology Professionals, a committee for instructional designers, technology training professionals, distance education professionals, Web designers, and other technology personnel. Created, developed and implemented electronic portfolio component for online PhD program, developing all curriculum, content, and resource materials. Monitored, managed, and evaluated web and training support staff and conducted new web support and training staff searches and hires. Supervised web and training support staff and conducted new web support and training staff searches and hires.

2002

Research Fellow - Educational Technology Program, University of Hawaii
Worked with program faculty researching instructional design practices, educational technologies and electronic portfolios.

1999 - 2003

High School Teacher - Kamehameha Schools, Department of History
Taught high school level world history courses during summer sessions to multicultural students from various socio-economic backgrounds. Designed course syllabus, prepared lessons and class discussions, facilitated group activities, and evaluated students. Collaborated with other high school teachers on instructional practices, student support and discipline, and curriculum.

1998 - 2003

Middle School Teacher - Kamehameha Schools, Department of History

Taught middle school level U.S. history courses to multicultural students from various socio-economic backgrounds. Collaborated with middle school team members on instructional practices, student support and discipline, and curriculum. Selected textbooks and hardware and software instructional technology. Served as technology committee member establishing policies for technology integration in the classroom and providing instructional technology training for students and faculty. Student electronic portfolio trainer and advisor.

1987 – 1992

Teacher's Aid with Exceptional Children – Princess Anne High School

Assisted in the instruction and tutoring of exceptional children.
