### Job Description

**Mission statement:** Sky Light Center, a clubhouse on Staten Island established in 1988, is committed to offering quality rehabilitation services and support to individuals recovering from psychiatric disabilities.

Employment, educational opportunities, community services and affordable housing are offered through mutual support. These programs are designed to improve our members' quality of life.

The clubhouse empowers members to regain their roles in the community. Through ongoing systematic self-evaluation, we strive to enhance our services, thereby assuring the integrity of the clubhouse.

**General duties:** As a direct service staff member of the center's clubhouse model of psychiatric rehabilitation, **Rehabilitation Counselors** perform an array of duties and as such, have generalist professional roles. These include but are not limited to working side-by-side with members as part of a defined unit with specific tasks, providing case management services to members, providing job coaching and related vocational services as part of our in-house employment program.

**Minimum requirements:** Bachelor's Degree in a human services field and 1-2 years post-degree related experience preferred. Full-time positions offer a comprehensive benefits package. Must have a valid driver's license.

Spanish/English a plus. Computer skills a plus.
